

Prayer Chain Sign Up Form

There have been many examples of answered prayers in our church. Our prayer chain assists us in getting the message out to our members and friends about those requesting or needing prayer.

If you are willing to commit to praying for others when called upon to do so, use this form to alert us to your interest. There are two ways to participate.

1. By phone
 - (a) Fill out the form below and return it to the church office.
 - (b) When you receive a prayer request call, pray for the person in need. Don't wait until later.
2. By email
 - (a) Email Shelby Tallroth, shelby.tallroth@gmail.com. or fill out the form below and return it to the church office
 - (b) When you see an email prayer request in you in box, pray for the person in need. Don't wait until later.

As a member of the prayer chain, you may receive a prayer chain call list. Follow these steps to keep the chain going.

1. When you receive a call requesting prayer, write down the request exactly as it was spoken to you.
2. Read it back to the caller to make sure you have the correct information.
3. When making your call, pass on the exact information given without distortion, elaboration or speculation.
 - a) Find your name on the list. If you're on the left, go to step b. If you're on the right, you don't need to call anyone.
 - b) Call the person below your name.
 - c) If you get no answer or voice mail, call the next person below to keep the chain moving. Also call the person to their right, so they're included.
 - d) Repeat step c until you reach someone who can continue the chain.
 - e) Call the person to the right of your name.
4. Pray for the request yourself.

Anyone desiring prayer may make their request known to Pastor Scott Jorgenson, 507-226-3244, Rhonda in the church office, 715-385-2146, Gracie Vickerstaff, 715-356-3315, or Shelby Tallroth, 715-605-2665.

Please sign me up to be a part of the prayer chain.
